Re: **Fox Hills at Rockaway Condominium Association, Inc. v.
Barbara Applebaum, et als.
Docket No. MRS-C-000130-17
Our File Number: F100.0001.001**

Dear Judge Brennan:

On March 29, 2018, our firm, and Marc Z. Edell, were substituted as counsel for plaintiff, Fox Hills at Rockaway Condominium Association, Inc. ("Plaintiff"). We write, with the consent of defendant, Alan Rothstein ("Rothstein"), to respectfully request the adjournment to Friday, April 27, 2018 of Rothstein's pending Motion for Attorneys' Fees and Costs (the "Motion"). The adjournment request is being made so that Plaintiff's substituted counsel has sufficient time to review the file and submit, on behalf of Plaintiff, an opposition to the Motion.

Plaintiff and Rothstein have also agreed to the following briefing schedule as to the Motion: (1) Plaintiff's opposition papers shall be filed and received by Rothstein by Monday, April 16, 2018; and (2) Rothstein's reply papers shall be filed and received by Plaintiff by Monday, April 23, 2018.

Thank you for Your Honor's attention to this matter.

Respectfully,

/s/ Justin A. Jacobs

Justin A. Jacobs
